RESPONSE TO REQUIREMENT FOR RESTRICTION

Commissioner for Patents
P.O.Box 1450
Alexandria VA 22313-1450

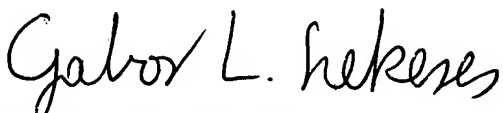

Dear Sir:

In response to the requirement for restriction dated April 29, 2004 Applicant elects Claim Group I, as that group is defined in the office action and wherein the variable **Z** represents $-N=N$, $-N(O)=N$ or $N=N(O)$.

The requirement for restriction is respectfully traversed on the basis that a search directed to the entire subject matter of the claims would not be burdensome.

Simultaneously with the filing of the this response Applicant also files an Information Disclosure Statement that should be deemed timely because it is filed before any office action on the merits.

Respectfully submitted
